

CITY FATHERS HOLD MIGHTY BUSY SESSION

Tax Levy Made; \$500 Given Infirmary, Salaries Raised Among Business Transacted

Reduction of the tax rate for city purposes alone from 45 to 35 cents on the \$100 of property but increase of the school tax rate from 50 to 75 cents on the \$100, in the annual tax levy, raising salaries of policemen and firemen from \$85 to \$100 a month, a donation of \$500 to the Patti A. Clay Infirmary to assist in installing a heating plant; adoption of measures looking to a closer check on the city's financial affairs and for two councilmanic meetings a month instead of one were among the high lights of one of the most sessions that the City Fathers have held in a long time, at the City Hall Thursday evening. The resignation of Councilman O. B. Powell was also tendered and Homer M. Whittington was elected to fill the vacancy. Mr. Powell's duties with the L. and N. railroad forced his resignation. He is unable to use a pass on the railroad to which he is entitled as an employee, if he holds an official position of any kind. This is a provision of the state anti-pass law.

Four members, Councilmen Golden, Mershon, O'Neil and Terrill answered present when Mayor L. P. Evans called the council to order at 8 o'clock and City Clerk Blanton called the roll.

Reports of city officers for the past month showed: Chief of Police Claude Devore had his check attached as usual to his report, showing collections for May to the amount of \$191. Street Commissioner Allman reported \$995.90 spent for labor and teams on the street work during the month. City Collector Dykes showed collections of \$947.52 made during May for taxes, etc.

Elmer Deatherage having resigned as a member of the City Board of Tax Supervisors, S. A. D. Jones was elected in his place.

The resignation of O. B. Powell as a member of the council was reported. Councilman Golden nominated James Hawkins to fill the vacancy and Councilman Terrill nominated Homer M. Whittington. The latter was elected by a vote of 3 to 1.

Upon motion of Councilman O'Neil the Finance Committee was instructed to make a complete audit of the books of the city. The committee was authorized to employ an expert accountant, if necessary and to make a full report for publication for the benefit of the taxpayers by July 1st.

Mayor Evans reported the postponement of the White Way matter until a later time and City Attorney Chenault said that both he and the City Engineer had been so busy since last meeting that they had been unable to take up with the State Highway Department the matter of state aid for the streets of Richmond. He said they plan to do so as soon as the new State Highway Commission is named.

City Treasurer R. E. Turley reported the following balances in the city treasury:

General fund, overdrawn.....	\$9,960.11
School fund, credit	160.08
School bonds sinking fund.....	1,865.53
Street and sewer sink. fd.....	3,403.81
Net deficit, about.....	\$4,000.00

Mayor Evans reported the judgment for \$4,000 against the city given a woman in circuit court for breaching an arm by falling on a curbing and suggested it might be wise for the city to take out liability insurance. Councilman O'Neil was appointed a committee to investigate rates and report to the next meeting.

Discussion of the tax levy which had to be made at this meeting developed the fact that it is expected to collect taxes on a valuation of about \$4,500,000 worth of property in Richmond this year. City Assessor Deatherage turned over the tax lists to the supervisors with \$4,175,000 on them and members of the board are estimating that equalization may bring the total amount up to the higher figure.

At this point, Judge J. C. Chenault, of the City Board of Education, stated the position of the board in regard to the school tax rate for this year. He old of increased expenses, salaries and improvements necessary at the old Madison Institute building, which, he said, had virtually "fallen into the lap of the people," and needed quite a sum spent on it to put it in shape for the best service of the children. He said the board had cut and slashed in every way possible and that the lowest sum it could get along with would be a tax levy of 75 cents for schools. In reply to a question from the Mayor he said that the law makes it mandatory for the Council to fix any rate up to \$1.50 on the \$100 that the School Board may ask. It is calculated that about \$46,000 will be needed for all

school purposes this year, according to the budget, which he submitted together with a prepared statement to the Council from the School Board.

Mayor Evans then reported that as far as the City is concerned, it is able to make a reduction of 10 cents on the \$100 in its tax levy, due to the large increase in assessment of property as estimated at the time the bond issue was voted for streets and sewers. The tax levy ordinance was then submitted and adopted, making the rate for all purposes in the city \$1.85 on each \$100 worth of property, divided as follows:

Educational purposes72c
School bonds sinking fund3c
Street and sewer bond sink. fund.....	.35c
General fund75c

A poll tax of \$1.50 on every citizen of Richmond is also imposed. As originally drawn this said "male" citizen but the point was laughingly raised that as women will undoubtedly have the right to vote, they should pay the poll tax, too.

Mr. M. C. Kellogg, who headed a delegation of sponsors for the Patti A. Clay Infirmary, told of breaking down of the heating plant last winter, and asked for a donation from the city to help install a new heating plant in this very worthy institution. He said that the Fiscal Court had just donated \$1,000 for the good cause and he hoped the city would be as liberal. It was pointed out that the city is at present without funds and in debt and some question was raised as to how the money could be obtained. Mr. Waller Bennett made a strong plea for a donation. He said that he believed that the city should give \$500. He thought an estimate of \$3,000 as the probable cost of a new plant might be a trifle excessive but declared that if the city would add \$500 to the sum generously given by the Fiscal Court, he would see to it that whatever balance might be necessary was raised to insure the new heating plant.

While on his feet, Mr. Bennett declared that he did not believe that the large sum planned to be spent by the School Board on a new heating plant at the old Madison Institute property was necessary. He said that he knew the plant there now was installed only five years ago and he did not believe that it should be torn out and a lot of money spent on a new one. He thought that the man who put it in should be employed to see that it was in good shape. He said if it was in some one's private home it would not be taken out. Mr. Bennett declared that he nor any other citizen did not object to paying taxes to any reasonable amount, if they felt that they were getting the worth of their money and he believed that whatever money was given for the Infirmary was mighty well spent.

After the strong arguments advanced by Messrs. Kellogg and Bennett, Councilman Golden moved that the sum of \$500 be voted for the Infirmary. He said that he thoroughly agreed with Mr. Bennett in what he had said about the school heating plant and that in his opinion "That there school house up there is enough to make a man sick."

Councilman O'Neil said that he is in thorough sympathy with the Infirmary needs, but thought it might be a good idea to defer the matter until the audit of the city's finances is made and a report had in July. He said that it might be shown that the city could give the Infirmary \$750 instead of \$500.

In seconding, Mr. Golden's motion to give the Infirmary \$500 now, Councilman Terrill said that he was glad to hear Mr. Bennett say that he did not object to paying taxes if the taxpayers were getting their money's worth as that was exactly what the present Council had been trying to do for the betterment and improvement of the city, but they had found a lot of taxpayers who did not take Mr. Bennett's public spirited view of the matter.

The appropriation of \$500 was then voted to the Infirmary by a unanimous vote.

At this point, City Clerk W. E. Blanton asked permission to say a word in regard to the schools as he is a member of the School Board and Judge Chenault, who had acted as spokesman for the board, had left. Mr. Blanton said he was an "insurgent" member of the board, he supposed, and had tried to keep all expenses to the very minimum. He said, however, that the Superintendent is a "dreamer, a theorist and idealist," and had visions of big things to be done for the schools now that perhaps ought to be put off until times were easier. He asserted that it is not the intention to tear out the old heating plant but to use as much of it as possible. New flues are needed, he said, new pipes and other work will have to be done that will at least cost \$2,000. He said that perhaps in its estimates and suggestions, the board had laid too much stress on the heating plant and not

enough on the immense increase in the cost of coal. In regard to Mr. Golden's statement regarding the school, Mr. Blanton said that he would only say: "Where ignorance is bliss, 'tis folly to be wise."

Mrs. Eugene Walker and Miss Helen Bennett expressed the appreciation of the Infirmary Board for the generous donation of the city.

Following a report of City Engineer Creelius that the grade of the new street paving on East Main can not be accommodated to the L. R. Blanton coal scales, Mr. Blanton was directed to move his scales from the street. It was decided to alter the foundation of the city scales on First street to conform to the new paving grades. A suggestion that the city sell its scales and go out of weighing business, met with strong opposition.

A resolution by Mr. O'Neil, adopted, directs the City Clerk to mail to members of the council memorandum of committee duties to which they may be assigned, the day after the meeting of the council. Another resolution provides for auditing of the city's finances and the appointment of a Finance Committee to investigate all bills and claims against the city and report back at the following meeting. An ordinance also adopted provides for meetings of the council in the future on the first and third Thursday evenings of each month at 7:30 o'clock.

The license ordinance for the following year from July 1st, was reported and adopted by unanimous vote. It will be printed in full in a day or so.

Frank Renaker of the Renaker Poultry Company, made a strong argument for equal and exact enforcement of the provisions of the license ordinance. He said that several engaged in the same lines as his firm, had not paid license for the past year. He always paid his willingly but felt that others should be made to pay up also. Prewitt Wiloughby made a similar argument for enforcement of the license payment by all who engage in the coal business. The Chief of Police was instructed to collect licenses from everyone affected by the ordinance.

After approval of estimates and orders of City Engineer Creelius in regard to various phases of the sewer and street work and payment of balances due the John B. McLane Company and the first month's estimate to Lampton & Burks, street contractors, Councilman O'Neil presented a petition signed by all the policemen and firemen of the city asking a raise in salaries from \$85 to \$100 per month. They declared that the increased cost of everything made it practically impossible for them to support their families on the old salary. Mr. O'Neil said that he felt their cause was just and the other councilmen and Mayor agreed with him for the ordinance making the increases asked for passed by unanimous vote.

Following a statement by City Tax Collector Dykes, the council voted unanimously to accept the tax list of George Goodloe for 1918 at the sum he had listed, about \$1,700 instead of the raise of \$3,750, which had been placed on his old property on Water street, after it had been completely destroyed by fire.

A petition from Mr. Parks for permission to build a coal scales on East 1st avenue was referred to the street committee.

Edwin W. Powell was granted permission to erect a coal scales on his lot on Aspen avenue. A petition for electric lights on Holly street and one at the corner of Linden and Holly was referred to the Water and Lights Committee.

Building permits were granted as follows: To Willoughby Bros., for office buildings and coal sheds and barns on Second and Third streets and the L. & A. track; to W. W. Broadus for a \$10,000 dwelling on Thurmond avenue; to H. C. Brewer for a \$3,000 dwelling on Big Hill avenue; to W. T. Edwards for an \$800 dwelling on Third street and to H. C. Brewer for a \$600 dwelling on the west side of Steep street.

Wright S. Hamilton was granted renewal of his poolroom license on First street.

City Attorney Chenault reported arrival of the mandate of the Court of Appeals in the Shackelford tax case, and that the city had obtained judgments in the Burnam and Caperton estate tax cases.

The Council then adjourned.

Ball Team Didn't Come

The Nicholasville base ball team booked for a game Thursday afternoon with the Madison High School team here, did not put in an appearance. The local players reported in uniform and spent some time on the field, believing the visitors would arrive. No reason has been assigned for the non-appearance of the team.

LOWDEN GIVEN MORE SOUTHERN VOTES

Hert's Candidate Gets Mississippi—Johnson May Start Things On League Plank

(By Associated Press)

Chicago, June 4—The Republican National Committee, hearing contests today, seated the Mulvihill faction degelates from eight districts of Mississippi. They are uninstructed but counted for Lowden.

In the South Carolina contests the delegates at large of the faction headed by National Committeeman Torbert, were seated. They are counted in the Lowden column.

Gov. Allen, of Kansas, who is to nominate Gen. Wood in the National convention, arrived here today. He announced he would offer a platform plank declaring for judicial settlement of industrial disputes as the paramount issue before the nation.

Meanwhile lines of action among the presidential candidates are beginning to move toward a definite form. Senator Johnson, of California, arrived to take personal charge of his candidacy. This and an agreement among the Wood leaders to have Hitchcock act as the Wood field marshal, and the outstanding developments, and are taken to indicate that within 48 hours the leaders begin to do business.

How They're Shaping

Chicago, June 4—Manifestations of the correctness of the theory that in invention and development procedure is from the simple to the complex and then from the complex back to simple, is found in the highly involved situation in the Republican struggle for the presidential nomination.

Today, no man, however expert he may pretend to be, can predict who will win. Nor can he surmise with any degree of accuracy which of the contending party groups will bear away the palm.

To sum it up, it is a hopeless muddle. At the end of a day of milling, mixing and meandering through the devious mazes there are a number of important factors to be taken up and studied as to their ultimate end.

Arranged in summarized fashion, they are:

1. The Rooseveltian arrival of United States Senator Hiram W. Johnson upon the field of action and the issuing of a demand upon the leadership for compliance with a number of matters of principle proclaimed by him.

2. The variety of changes and dislocations caused by the entrance into the reckoning of the formal candidacy of Gov. Wm. C. Sprout, of Pennsylvania, backed by the unanimous vote of his state.

3. The effect that the nomination of any of the candidates tarred with the brush of primary election scandals made public in Washington may have upon the election in November.

4. The consequences of the declaration of the national committee for the perfect equality of the races in the party organizations regardless of social distinction or prejudice.

With the arrival of Senator Hiram W. Johnson Thursday afternoon and his vigorous declaration that he is determined that there shall be no "pussy-footing," evasion or hiding in the writing of the plank in the League of Nations, the drafting of the platform for the National Republican Convention has assumed an importance almost equaling that of nominating a candidate for the presidency.

Senator Johnson's utterances relative to the attitude of the party on the League of Nations were construed generally as a part of his plan for a spectacular drive to obtain the presidential nomination.

They were taken also by party leaders who are hoping for a compromise on the platform as an indication that Senator Johnson is determined to make trouble unless his views not only receive serious consideration but are accepted largely by the Committee on Resolutions.

Is Wood Weakening?

New York, June 4—A Chicago dispatch to the New York American says: "Major General Leonard Wood

took control of his campaign out of the hands of William Cooper Procter last night and placed Frank Hitchcock in complete charge.

"The change in the management was made at a conference attended by Wood and his supporters. These men convinced Wood that his campaign was in bad shape and the only chance for improvement was in turning the entire management over to Hitchcock.

"It is understood that he will be in complete control for Wood on the convention floor.

"The change was not a surprise along presidential row. Wood's chances of getting the nomination have been growing weaker each day since Procter told the Senate committee last week what he knew of Wood's funds.

"The Wood managers also have been unable to down the report that Procter and Hitchcock have been at outs. Neither could they counteract the harm that the report has done to the Wood cause.

"Another important development of the day was the intimation that Gov. Lowden has decided to run his own campaign from now on. He, like Wood, who has dismissed the man who advanced half a million dollars to his cause, had to take some drastic action to keep his campaign from going on the rocks."

EMERGES FROM WILDS TO EXPLAIN

(By Associated Press)

Washington, June 4—Horace Stebbins, of New York, eastern treasurer of the Wood national campaign committee, explained to the Senate campaign investigating committee today why officers of the Senate were unable to locate him. He said he had been on a trip in the Canadian woods, and had been 60 miles from a telegraph or telephone and asserted the idea that he "was trying to hide" was ridiculous.

When asked to explain the eastern financing of the Wood campaign, he said he had "received money sent through Wm. Loeb and associates and paid it out by authority of Col. Procter and Mr. Loeb." He accounted for a total of \$263,000. In addition the Leonard Wood League received \$138,000. Treasurer Sprague of the Wood committee previously had given the total at \$1,180,000.

Stebbins said he couldn't tell until the books were audited.

Chairman Kenyon said he believed it to be about \$74,000 more while Senator Pomerene, by another calculations, said \$228,000 to the Sprague total would give a grand total.

MADISONVILLE'S NEW SCHOOL STATUS

(By Associated Press)

Frankfort, Ky., June 4—That part of Madisonville, which was in the white graded school district and common colored school district, must reorganize its schools under the act of 1920 regulating the schools in fourth class cities. It must place both schools under the same board, the Court of Appeals decided today, granting an injunction against the graded school board.

War Legislation To Go

(By Associated Press)

Washington, June 4—Without amendment, the Senate Judiciary committee today reported out the House joint resolution providing for the repeal of all war legislation except the Lever food control and trading with the enemy act. Senator said there was no opposition in committee to the resolution and that it would be considered by the Senate before adjournment tomorrow.

Under Secretary Resigns

Washington, June 4—Flank L. Polk, under Secretary of State, resigned today. His resignation has been accepted by President Wilson.

FRATERNAL ORDER MEN TO ASSEMBLE

Here Sunday To Pay Tribute To Departed Brothers—Many Served Their Country

Plans are being completed for the observance of Memorial day by members of the I. O. R. M. Odd Fellows and K. of P. lodges Sunday, and there will be a large number of visitors here from surrounding towns and cities. The news of the coming of the I. O. O. F. band from the I. O. O. F. Home at Lexington is being hailed with delight.

It is believed by local members of the lodges that the procession will be the largest of the kind seen in Richmond for years, since so many have signified their intention of being present. There will be a large number from various parts of Madison and adjacent counties alone who will participate, besides the delegation from Lexington and other towns.

The meeting at the respective lodgerooms by the various lodges will be promptly at 2 o'clock, after which the march to the First Christian church will be taken up. After the prising all of the orders represented in the march to the cemetery will be held short services, members of each order being represented by speakers and graves of deceased members will be decorated.

There have been many members admitted to the three orders here during the year. The records will show a large representation in the recent war and also that comparatively few failed to return after the services to their country had been performed.

PROCURE WHISKY ON FORGED PERMITS

(By Associated Press)

Pittsburg, June 4—More than half a million gallons of whisky have been withdrawn from bonded warehouses in the Pittsburg district since January 16th, on forged permits, according to an announcement here today by Federal Prohibition Agent Hindman. Hindman said he was conducting a thorough investigation.

BEVERAGE COMPANY OFFICERS ENTER PLEA

(By Associated Press)

Louisville, June 4—Theodore Evers, president, and other officials and employees of the Falls City Ice and Brewing Company, surrendered today to federal authorities here, a sequel to the seizure a few days ago to 12,800 bottles of beer, alleged to contain an illegal alcoholic content. They pleaded not guilty before Commissioner Craft and were held in nominal bond.

The proportion of persons of more than 65 years old is greater in Ireland than in any other country.

The variation of 1-500 of an inch in the thickness of a mainspring will affect the time-keeping of a watch.

Denmark reports having unlimited quantities of butter, cabbage and potatoes for export at low prices.

ALL IN READINESS AT EASTERN NORMAL

President Adams, of Georgetown College, Will Arrive Sunday For Address

Dr. M. B. Adams, President of Georgetown College, who is to address the graduates at Eastern Normal School Sunday night at 8 o'clock, opening the week's program, by delivering the Commencement sermon, has notified the faculty that he will arrive in Richmond Sunday morning. It is expected he will remain until Monday, after the first meeting at which he will preside, since he is known to be greatly interested in the work and faculty, as well as many of the students at the institution.

Already reservations have been prepared to accommodate a large number who will be here from out of the city, some coming from quite a distance. The program, as it has been arranged, together with the number of interesting events for the week, gives promise of admitting the students this year to witness one of the most brilliant periods of their lives.

There will be class day plays and recitals, special musical features and field day events; in fact, the program is so varied all will be well entertained and those coming from a distance will soon realize they will be well paid.

The final rehearsals for the several interesting meetings are now going on and the vocational line of work is claimed to be much better this year than any previous one. The work of decorating the auditorium where the commencement play is to be given, will be commenced tomorrow and this will be looked upon as one of the predominating features of the week. The last chapel exercises, the president's reception, and other events, taken one with another are all full of interest to all who attend. For weeks students have been posting parents, and others at home upon the eventful week, the dawn of which is so close at hand.

DECISION FAVORS CITY OF RICHMOND

Judge Shackelford, of the Madison Circuit Court, decided in favor of the city in the case of Mrs. Jessie K. Burnam vs. the city of Richmond, an injunction proceeding to prevent the advertising of certain city property for sale for non-payment of taxes, as assessed during the year 1918. The court held that the proceedings were regular, and that there was not sufficient evidence to justify the claims of the plaintiff, according to the proof taken several days ago. He has had the case under advisement since, and the result will be that the tax assessment will remain as made. This is believed to be the last of a list of similar cases which have attracted the attention of various courts since the increase in tax assessment was made. The validity of the assessment, as held by the court, gives assurance of the legitimate manner in which the work was executed, consequently the property will be valued accordingly.

In the case of the city against Paul Burnam, trustee of the Caperton estate, Judge Shackelford sustained the demurrer of the plaintiff to the defendant, which, in effect, means that owing to the time the sale of the property was made, the matter of tax payment with both the estate and purchaser, both to arrange the payment of the same. This brings to a close, it is believed, all negotiations of this nature in the hands of the court for disposition at this time.

Four To Go To Blue Ridge

There will be but four, instead of a party of about ten from the Eastern Normal attending the Blue Ridge conference this year, the remaining students who contemplated the trip deciding to remain at home and put in the time with studies. The local delegates June 7th. There will be two boys June 22nd. There will be two boys and two girls, the latter representing the Y. W. C. A. of the school.

NO CHANCE FOR KENTUCKY TO LOSE

Federal Aid Road Fund This Year
Says State Commissioner
Joe S. Boggs

There isn't a chance for Kentucky to lose any of the Federal aid road money which has been counted upon, said State Road Commissioner Joe S. Boggs, who spent Sunday at his home here. Mr. Boggs has just written a letter to Congressman J. M. Robinson, of the 11th district, setting forth in detail the Federal aid projects already passed on in Washington or in the Chicago office for transportation and said:

"There has appeared in many newspapers in Kentucky an item from Washington that Kentucky will lose by June 30, \$736,928 in federal aid money unless a bill now pending, extending the time for one year, is passed by both branches of Congress. In view of the fact that such articles are misleading to the people of Kentucky and create unjust criticism of this office, I am taking the liberty to acquaint you with the facts in this matter, as I have heretofore done."

Good Features of New Law

A dispatch from Frankfort says that one good result of the new law already being noted by highway economists is lifting the minds of county officials from local patch work to through route projects. Counties which are anxious to get good roads as soon as possible are reacting on their neighbors on the same projects.

The law provides that a county may anticipate State construction of the state highway system by advancing the necessary money and be reimbursed later on. The same provision carries the condition that no county shall be reimbursed for money advanced until the entire project is completed, and each project includes several counties. Consequently if one ambitious county advances money for completion of its mileage it may not be reimbursed for years, if the State Highway Department does not push the work on the same project in adjoining counties.

As soon as they became cognizant of this condition, officials and promoters in counties desirous of issuing bonds and pushing construction began propaganda among their neighbors, some of which were inclined to parcel their road funds out among the magistrates composing the fiscal court for patch work in their respective districts.

The Ohio River Road is a sample of the through route project, although it was instituted as a Federal aid highway before the new law was thought of. It has been extended into the State system west from Paducah to Wickliffe. The Mayo Trail up Sandy valley shows the result of agitation, starting in one county. Now Boyd,

A Prominent Nurse Testifies

COVINGTON, Ky.—"I have been recommending Dr. Pierce's Favorite Prescription to my patients and friends for several years, ever since it restored me to perfect health after a very serious illness with inward trouble. In every

instance that I have known women to take Dr. Pierce's Favorite Prescription for feminine weakness, or if in need of a special tonic during expectancy, it has never failed in giving the utmost satisfaction. It is a woman's medicine that can be depended upon to relieve nervous conditions, besides building up and strengthening the entire womanly organism. I shall always praise Dr. Pierce's Favorite Prescription most highly."—MRS. PATTIE ELLIOTT, 1418 Kendall St.

Favorite Prescription should have the full confidence of every woman in America because it contains no alcohol and no narcotic. Doctor Pierce knew, when he first made this standard medicine, that whiskey and morphine were injurious, and so he has always kept them out of his remedies. Dr. Pierce's Favorite Prescription can be procured in all drug stores in either fluid or tablet form.

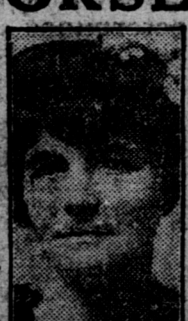

Send 10 cents to Doctor Pierce's Invalids' Hotel in Buffalo, N. Y., for trial package of the tablets.

I AM GLAD TO ENDORSE PE-RU-NA

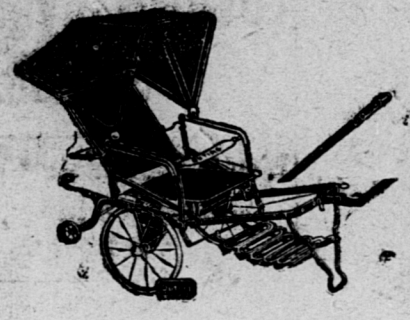

Glad to Try Anything
"Three years ago my system was in a terribly run down condition and I was broken out all over my body. I began to be worried about my condition and I was glad to try anything which would relieve me. Peru-na was recommended to me as a fine blood remedy and tonic, and I soon found that it was worthy of praise. A few bottles changed my condition materially and in a short time I was all over my trouble. I owe my restoration to health and strength to Peru-na. I am glad to endorse it."

INCORPORATED

Lexington, Ky.

"Where Quality is Established, Truth Must Prevail"

Lawrence, Johnson, Floyd and Pike all have bond issues to advance the money to the state for the entire project.

A different tack was taken in the project from Richmond to Hardysville, connecting the Eastern Dixie with the Jackson Highway. Green, Taylor, Marion, Boyle, Garrard and Madison have raised \$500,000 which the Government will duplicate, although it is a state highway project, the counties do not plan for a macadam surface, but will ask the Highway commission, instead of reimbursing them, to add enough to the \$1,000,000 to pave the road. The twofold advantage of several counties uniting in one project, it is pointed out, is to open up a greater market territory and extend the advantage of communication by a trunk line road and to get a cheaper bid per mile more contractors will bid on big job than he could for two half the size because he does not have to include loss of time and expense of moving his equipments it also facilitates and expedites the engineering work. One of the difficulties the state Highway Department has faced ever since its organization was to get cooperation of fiscal courts in planning work ahead. The department wanted project submitted in time so that the engineering work could be done, plans and estimates prepared and contracts let before spring.

Contractors thus would be able to plan their seasons work and begin with the first open weather in spring. The contractors could save expense to themselves in organization and handling of their forces and make lower bids.

This has delayed the State in taking advantage of Federal aid all that must be accepted by July 1, will be it is declared, but if Federal courts had all their moneys appropriated or provided for \$1,800,000 more would have been available this year. As it is, the state has another twelve months to get it and the new state highway system comes into being June 16.

As these projects are entirely in the hands of the state department delays incidental to obtaining local cooperation will not be met with in the future and the summer's campaign in so far as the state and Federal funds are concerned can be prepared for during winter months.

FUED TRIALS WIND UP WITH TWO ACQUITTALS

London, Ky., June 4—The last of the Clay county feud cases to be tried in the Laurel Circuit Court was finished today and resulted in the acquittal of John Eversole and George Bush, charged with killing Joe McCullum from ambush in Clay county nearly two years ago. This was the third trial in the case, each of the other two having resulted in a hung jury. Each of the other feud trials held here last year has resulted in the conviction of from one to five of the accused, all of whom now are serving sentences at Frankfort except one who was pardoned recently.

INFORMATION AS TO HOW
TO SAVE SUGAR
Mrs. C. D. Smith makes a valuable

suggestion to housekeepers in regard to economizing in sugar in preserving strawberries. Cover the berries with water and to each quart add ½ teaspoon of sugar. In three minutes you will find the amount of acid is greatly reduced and much less sugar is required.

Message from Mars indefinitely delayed—too hot to flirt, anyhow.

And my days
Be shorter than they oughter.

Entertained at

Six O'clock Dinner
Mrs. S. P. Bush entertained at six o'clock dinner Sunday evening at her home on Fourth street. Her guests included Mrs. G. M. Glenn and sons, Charlie, Marion, William and Max Glenn; Miss Cordie Barrow, Miss Nannie Mae Brock, all of Winchester, and Mr. and Mrs. Sam Black and children, of this city.

Entertained at Dinner

Mrs. J. C. Farley entertained at dinner Wednesday in honor of her brother, Rev. James M. Bailey, of Missouri. Covers were laid for Mr. and Mrs. Cabell Chenault, Misses Alice and Lena Duerson, Mrs. Gordon Parish, Rev. Bailey and Miss Carrie Farley.

Mrs. Grant E. Lilly Entertains

Mrs. Grant E. Lilly has issued invitations for a "miscellaneous shower" at her home in Mentele Park in honor of Miss Carrie Lee Jones, who is to be married June 11 to J. M. Hedges, of Detroit, Mich.

Commencement Invitation

Richmond kinsmen and friends have received the following engraved announcement from Miss Georgia Mae Moberly, who is a senior this year at Ward Belmont College:
The Faculty and Senior Class of
Ward-Belmont
invite you to be present at their commencement exercises
Thursday morning, the third of June
Nineteen hundred and twenty
at 10 o'clock
Nashville, Tennessee.

Miss Moberly is the attractive daughter of Mr. and Mrs. R. K. Moberly. She will return home the fourth of June to spend the summer vacation.

Surprise Party

Quite a large party of schoolmates and friends gave Mr. Henry Arnold a complete and happy surprise Wednesday evening, assembling at his home on High street to celebrate his birthday anniversary. Those who composed the party were Misses Margaret Turley, Virginia Hise, Laura Isabel Bennett, Nannie Evans, Lana Martine Coates, eGorgia Smith, Marie Langford, Elizabeth Renick, Eloise Samuels Carolyn Rice, Margaret and Mary Emily Chenault and Messrs. William Blanton, William Crutcher, John Brown Lackey, Lewis Herrington, William Minter, Ben Head, Richard Green, Rollins Burnam, Leslie Evans, Jr., Coleman Covington, William Dudley Wagers and Ed Jones. Delicious refreshments were served during the

hours and the birthday celebration proved to be a very happy one.
Mr. C. C. Barnett is visiting friends in Lancaster.
Mr. W. C. Bragg, of Irvine, was a

visitor here Saturday.
Miss Patsy Rossion is a home from Caldwell College, in Danville.
Mr. W. F. Osborn, of Winchester, was here this week on business.
Miss Mattie Tribble left Wednesday

for a visit to relatives in Lexington.
Mr. John Henry, of Spring Valley, Ohio is the guest of Mr. Edward Lawson.
Mr. R. S. Riddleberger was called to Virginia this week by the death of

his father.
Mr. Fred Evans has returned from a business trip to Virginia and Washington, D. C.
Mr. and Mrs. Douglas Parrish and children have returned from a visit

to Beattyville.
Mrs. Emma Kaufman, of Lancaster, spent Monday with her niece Miss Van Greenleaf.
Mrs. Henry Bosworth, of Lexington was the recent guest of Mrs. H. B.

Hanger at Arlington.
Mr. and Mrs. John Kennedy and children of Colorado who have been visiting Mrs. E. T. Burnam and family at York are at Boone Tavern for an indefinite period.

BIG DAY AT RICHMOND WELCH KASH AND KARRY GROCERY MONDAY, JUNE 7th

Free Free Free Free

On Monday, June 7, we are going to give away absolutely free one thousand bags of samples and souvenirs. Below you will find a list of articles which these bags will contain. If these articles were purchased one by one, they would cost you almost \$2.00

The only thing you have to do to get one of these bargains is to buy \$2.00 worth of groceries at our Kash and Karry Grocery. Our prices will be the same as usual and you will pay less here for everything than you would pay elsewhere.

This is an opportunity you will not have again, so be sure and get one of these free bags.

Would You Lose If Your Property Burned Today?

The destruction of that \$5,000 home you built a few years ago would lose to you the original cost, plus another \$5,000. For it costs \$10,000 now to build the \$5,000 home of 1914.

Likewise the loss of today of the business property that cost \$50,000 before Germany went mad, would be \$100,000—probably \$100,000 would not replace it.

Willard, and Mrs. Willard, on the Summit.

Mr. and Mrs. H. B. Hanger left Thursday for New York City where they will attend commencement exercises of Miss Bygel's school where Miss Elizabeth has been a student the past year. She will return with her parents to spend the summer vacation.

McKee—Caudill

Mrs. May McKee, of Berea, and Mr. J. E. Caudill were quietly married in the parlor of the Hotel Glyndon, Rev. McClintock officiating. Sgt. Caudill is home on a furlough from Camp Jackson, South Carolina. They will make their home in South Carolina.

Reception

At the home of Dr. Homer Carpenter and Mrs. Carpenter at the parsonage on Wednesday from four to six in the afternoon and eight to ten in the evening was one of the lovely social events of the week. The parlors were most tasteful in their decoration, the gorgeous bloom of the season greeting the guests, at every town. The hosts were assisted in entertaining in the afternoon by Mrs. J. J. Neale, Mrs. Warfield Bennett, Mrs. Harris Noland, Mrs. Harold Oldham, Mrs. Henry Cosby, Misses Elizabeth Turley, Duncan Foster, Cynthia Davison; in the evening by Mrs. R. C. Turley, Mrs. R. C. Stockton, Mrs. Charlie Douglas, Mrs. H. L. Perry, Mrs. Geo. Goodloe, Mrs. G. W. Pickels, Misses Jeannette Pates, Carrie Allman, Margaret and Sara Chenault. About two hundred of the church membership responded to the invitation during the hours and every one present felt the cordial atmosphere of this hospitable home. The sweet attractiveness of the young daughter of the house, Miss Eleanor Carpenter lent a refreshing charm to this most delightful occasion.

PLAN FOR BERE A COMMENCEMENT

The annual commencement at Berea College is attracting the attention of many in this part of the state and there will be a large representation from Richmond in attendance. The program, beginning Sunday evening with the baccalaureate address by President Frost, which will mark the close of his work at the institution, promises to be one of unusual interest. The numerous students to participate in the weeks program are studiously engaged preparing their parts. W. J. Hutchins, president-elect, who will be inducted into office on Tuesday by President Frost, is making acquaintances at the college.

ADVERTISERS TO MEET

(By Associated Press)
Indianapolis, Ind., June 4—The entire city of Indianapolis has been named on a general courtesy committee for the convention of the Associated Advertising Clubs of the World, to be held here June 6 to 10. "Courtesy first" is the slogan of those in charge of arrangements. The convention, it is believed, will be one of the world's greatest business gatherings this year. More than 5000 persons from all parts of the world are expected to attend.

**MRS. ALICE GRESHAM
DODD, mother of the first
American soldier killed in
France, who gives entire
credit for recovery of her
health to the well known
medicine, Tanlac.**

The following remarkable endorsement of Tanlac was given recently by Mrs. Alice Gresham Dodd, at the Gresham Memorial Home, Gavin Park, Evansville, Ind., whose home was presented to her by the patriotic people of Indiana, as evidence of their appreciation of the services rendered to his country by her son, Corporal James B. Gresham, the first American soldier killed in France. Expressions of sympathy were received by Mrs. Dodd from all parts of the United States, and the newspapers of the county carried the story of the "first war mother."

The shock of her son's death resulted in the serious breakdown of Mrs. Dodd's health, but every one will learn with interest and pleasure that she is now in splendid health again. When seen at her home recently she made the following statement, giving the entire credit for her recovery to the well known medicine, Tanlac:

"After my dear boy's death, I had a general break down in health," said Mrs. Dodd. "At first I was unable to eat. My food used to upset me and I had to diet myself very carefully, which wasn't much hardship for I lost all desire to eat. Then I had an attack of rheumatism, with severe pains in shoulders, arms and back. Sometimes I used to suffer a great deal and my joints would get all swollen up and stiff, and was able to do very little about the house, and at times couldn't even cook a meal. I got very nervous and restless, and at night would lay awake for hours, and lost many a night's sleep as a consequence.

"A friend of mine had received a great deal of help from Tanlac, and it was she who advised me to try it. I am so glad I did for it proved the best medicine I have ever taken. It soon gave me a good appetite and seemed to settle my stomach so that I was no longer troubled with indigestion. I don't know what it is to have rheumatic pains now, the swelling and stiffness has all gone out of my joints and I am able to do the work of the house with the greatest ease. My nerves are now steady and strong. I sleep fine at night, and I feel better in health than ever before in my life. I shall always be grateful for what Tanlac has done for me, and shall recommend it every chance I get."

Tanlac is sold in Richmond by Stockton & Son, and in College Hill by Ginter Bros.

Miss Adele Cooper has returned to her home in Louisville having been with the Richmond Millinery Company the past season.

INVENTIVE GENIUS ROBS CALOMEL OF NAUSEA AND DANGER

Doctors' Favorite Medicine Now
Purified and Refined from All
Objectionable Effects. "Calo-
tabs"—the New Name.

What will human ingenuity do next? Smokeless powder, wireless telegraphy, horseless carriages, colorless iodine, tasteless quinine, now comes nausealess calomel. The new improvement called "Calotabs" is now on sale at drugstores.

For biliousness, constipation and indigestion the new calomel tablet is a practically perfect remedy, as evidenced by the fact that the manufacturers have authorized all druggists to refund the price if the customer is not "perfectly delighted" with Calotabs. One tablet at bedtime with a swallow of water—that's all. No taste, no nausea, no griping, no salts. By morning your liver is thoroughly cleansed and you are feeling fine, with a hearty appetite. Eat what you please—no danger—go about your business.

Calotabs are not sold in bulk. Get an original package, sealed. Price, thirty-five cents.—(a. l.)

AT THE MOVIES

"The Luck of Geraldine Laird," in which Bessie Barriscale appears at the local theaters Saturday, is one of the most intimate studies recently made on the screen of the relation of a woman's domestic obligations to her right to make her own way in the world.

Miss Barriscale, in his picture, which is based on a story by Kathleen Norris, that appeared under the same name has the part of a wife, who devotes all of her time to her mother and to her babies, and as a result is deserted by her husband.

Shall she sit and wait until he chooses to come back to her, or shall she assert herself, and make her own way? Miss Barriscale makes the author's answer to this question a telling one, indeed. She shows how every woman in a similar situation can summon the talent which has been given her, and aided by this, and a great determination to make her own way, go out and "show the world."

HEARD ABOUT TOWN

James McKinney is one of the biggest tobacco growers in the Kavanaugh section, he having out the major portion of 90 acres in various plots as he terms it.

Federal officers have been informed that here will be a movement upon the part of the I. W. W. to become active in the harvest work of Kansas again this year and they are working accordingly.

The apparatus for the wireless for the high school station is expected within a short time when "conversations" with some of the neighbors will be started.

DAYS OF DIZZINESS

Come To Hundreds Of Richmond People

There are days of dizziness; spells of headache, languor, backache; sometimes rheumatic pains; often urinary disorders. Doan's Kidney Pills are especially for kidney ills.

Endorsed in Richmond by grateful friends and neighbors. Mrs. Andy Metz, 411 Laurel St., Richmond, says: "I had a miserable pain in my back and felt dull and languid. I had puffy sacs under my eyes and my ankles and feet were swollen and stiff. I had dizzy and nervous headaches and would almost fall over. My kidneys were weak, also. I read of Doan's Kidney Pills and procured some from Perry's Drug Store. They did me all the good in the world, putting my kidneys in good order and ridding me of backaches, and dizziness and I felt better in every way."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Metz had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. may 21-3w

END OF TEACHERS' INSTITUTE SEEN

The closing of the regular study period for some time at the Eastern Normal will mark the beginning for others, and two counties will be represented there during the summer school, for class exercises and special examinations. Next year, it is presumed there will be more, since other outside counties have been seeking privileges and experts to be able to have the meeting of their teachers held here, doing away with the institute. The trip to Richmond for a week, and the mode of study here is said to act in a recreational way, as well as prove more interesting and instructive generally and it is the belief of instructors that the near future will mark the examination of the teachers from other schools at the universities and like institutions and that the old time institutes will soon be something of the past.

Booze Is Not a Good Cure

(From the Ames Iowa Intelligencer)
When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whisky, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

J. H. LAMBERT LAND
Consisting of 643 acres, located in Rockcastle county, Kentucky, near the Madison county line, four and one-half miles from Berea, will be sold at

Public Auction

ON THE PREMISES

Thursday, June 10, 1920

AT 10 O'CLOCK

This is one of the best farms in this section of the state and has been subdivided into

SIX DIFFERENT TRACTS

TRACT NO. 1

Contains ninety and one-fourth acres; well fenced, has two tenant houses; two barns, and 75 acres in cultivation; 20 acres in corn; 55 acres in grass; 15 acres in timber. This place is cut into five fields, all well watered, never failing sulphur spring, the land is level, gently rolling; produces well and is situated in one-half mile of consolidated schools and church. Is on road that is now graded for pike and is in one hundred yards of Boone post-office and one hundred yards of railroad station.

TRACT NO. 2

Contains 68 1-4 acres, located on road that is now being piked; four miles from Berea; 1 mile from church and school. This land is well fenced; 35 acres in grass; 33 1-4 acres in timber; has a splendid six room cottage; first-class stock barn and all necessary outbuildings. Store house 20x50 feet, one of the best locations in this county; postoffice in the store. Fifty yards of railroad station. The buyer of this tract gets the refusal of a well selected stock of goods at cost. At the door there is a well with an endless flow of famous white sulphur water. There is also a tenant house on this tract, with another never failing sulphur well; a gas well which furnishes heat for house and store which is fully equipped for the use of this natural gas; has a spler did stream of water flowing through this tract and every field is furnished with plenty of stock water.

TRACT No. 3

Contains 109 1-2 acres on road now being piked; four miles from Berea, 1-4 mile to store and postoffice; has four room house, also barn and outbuildings; good orchard. This tract is mostly fenced; 40 acres in grass; 20 in corn; the remainder in timber; 60,000 feet of good timber ready for the mill. This tract has an abundance of fine water, both for personal and stock use.

TRACT No. 4

Contains 207 3-4 acres; has a four room house; good barn and splendid orchard; is well fenced; well watered; 40 acres in grass; 15 acres in corn; 105 acres of this tract is good creek bottom land; fine timber land; 300,000 feet of good oak, pine and poplar timber; also two oil wells, which produce from four to ten barrels of oil per day, when pumped, and one gas well.

TRACT No. 5

Contains 66 acres; has no improvements. This land is level; well watered; joins a good county road; one and one-half miles from church; good school; is three and one-quarter miles from Berea; a fine place for a young man with limited means; plenty of timber on this tract to build good house and barn and fence the entire farm.

TRACT No. 6

Contains 100 1-2 acres on good road; three and one-quarter miles from Berea; one and one-quarter miles to good school. This tract is a little rolling; some good, rich land; plenty of timber; no improvements.

This Tells You How to Get Benefit of the Best Senna

Finest Grade of Egyptian Senna Leaves used in compounding Dr. Caldwell's Syrup Pepsin.

PROMINENT importers and wholesale dealers in crude drugs and medicinal herbs gathered from all parts of the world do not hesitate to say that the market for the better grades of medicinal herbs, roots, oils, etc., is practically confined to the leading manufacturers of the so-called package medicines, who buy only the very best, and that the manufacturers of Dr. Caldwell's Syrup Pepsin are the largest users of the best grade of Egyptian senna leaves in the world.

The potency of a tea brewed from senna leaves to relieve constipation has long been recognized, not only by the medical profession, but by the public generally; in fact, senna has been known and used in medicine for more than five centuries. The cheaper grades of senna, such as are usually sold at retail, have, however, a tendency to gripe and cramp

which makes their use unpopular with most people.

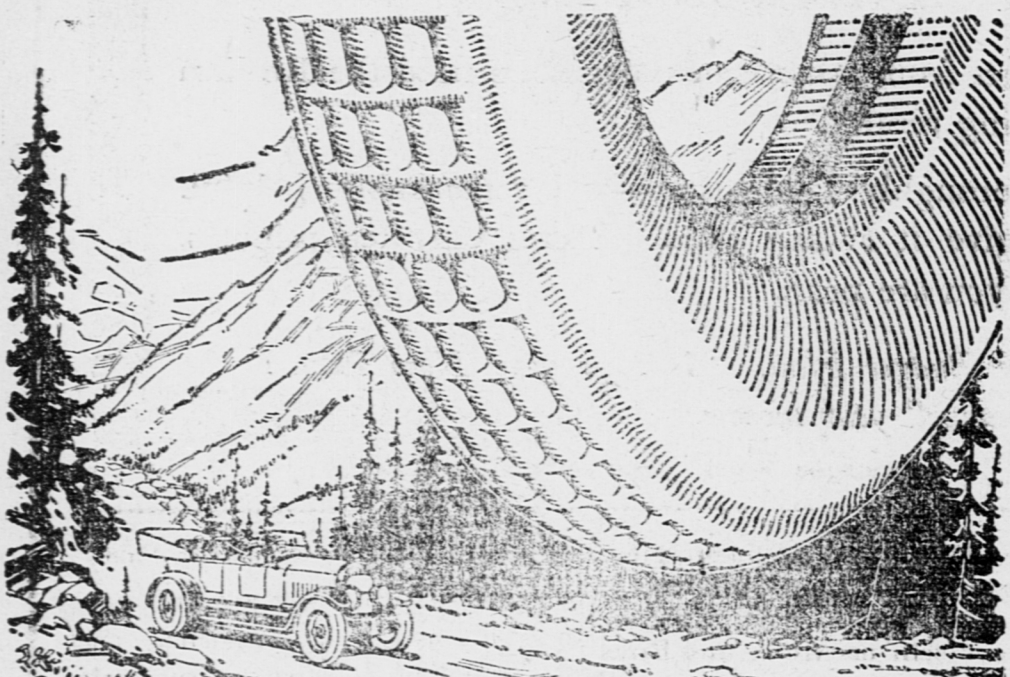

In Dr. Caldwell's Syrup Pepsin the finest Egyptian senna is combined with pepsin and other valuable agents, essential oils and pure cane sugar syrup to make an exceptionally valuable tonic-laxative for the relief of constipation and resulting disturbances of the stomach and bowels. The complete formula is plainly printed in English, French, and Spanish on every package. Thousands who formerly bought an inferior grade of senna leaves now use Dr. Caldwell's Syrup Pepsin instead. It is sold in drug stores everywhere.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

Prof. G. D. Smith of Eastern Normal has returned from Conway where he has been inspecting his strawberry crop. He reports the berries are getting ripe and the early picking is of a good quality. He anticipates an extensive crop.

Dr. A. T. McCormick, secretary of the State Board of Health, says greasy foods make wife-beating and wife-killing men. He urges better cooking.

Brewing Lamb sold two lots in Richmond to John Fife, for \$500.

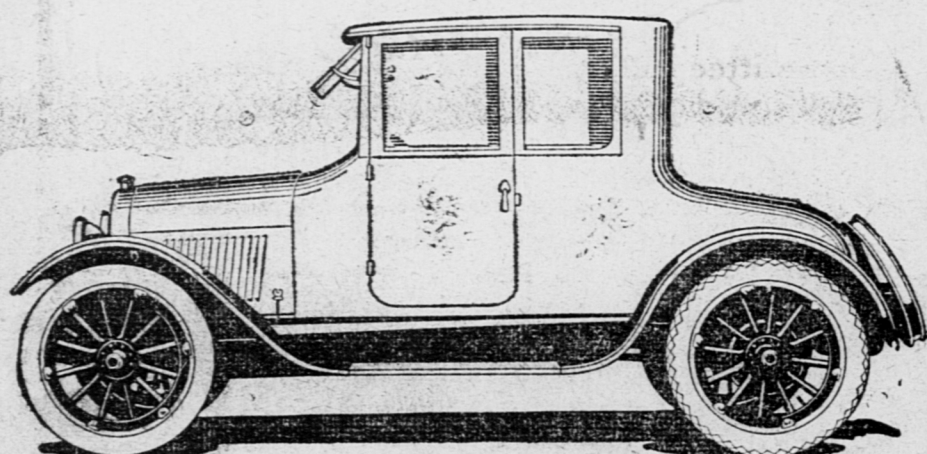

They give more than the Guaranteed 6000 miles

MUSIC RECITAL PROVES RARE TREAT

Talent of Extraordinary Quality Apparent At Annual High School Event

The further exploitation of Richmond musical talent marking another fascinating period of Commencement week exercises of the Madison High School, was recorded Thursday night at the school chapel, when, under the personal direction of Miss Alice Metcalf, director, the annual recital of the music department was given.

The program was extensive and consisted of numbers bringing forth a variation of talent, which was manifest from the start, in a quality that bespeaks well not only for the participant, but the director. There was a quality so uncommon in the average high school that many wondered at the degree of efficiency reached, and others for the first time realized the importance of this feature of school work and were awakened to its influence and pleasing quality for the first time.

The weather prevented the attendance being such as to more than tax the capacity of the chapel. The music, both instrumental and vocal, well merited the favorable comment elicited. It seemed that a bevy of stars had been summoned from the musical world and performed for the pleasure of those present.

None were mediocre. All were far above that. From the first, the program was a musical treat by real musicians and they were appreciated as never before. Credit is due all, collectively and individually, and they should feel highly gratified at having been called upon and being so capable in maintaining the high standard of the Madison High School. The chorus was extraordinary.

The program was as follows:
Piano—Hungarian Dance—Mr. Coleman Covington.
Quartet—Lullaby—Misses James, Kellogg, Metcalf, and Mrs. Thomas McCown.
Voice—Spirit Flower—Miss Mary Skelton.
Piano—A la Bien Aimee—Miss Mary Emily Chenault.
Voice—(a) Star; (b) Phillis—Miss Zeyl Baxter.
Piano—Miss Marian Giunchigliani.
Quartet—Swing Low Sweet Chariot—Misses Baxter, Allman, Telford and Centry.
Voice—(a) Poppies; (b) Rain—Miss Carr, Allman.
Voice—Even the Bravest Hearts—Mr. Samuel Deatherage.
Piano—Prelude—Miss Alice Clark Kellogg.
Voice—(a) Do Not Go My Love; (b) Will O' the Wisp—Miss Tevis James.
Duet—Barcarolle—Miss Baxter and Mr. Deatherage.
Chorus—Song of the Vikings.

At Caldwell Tonight

In the Caldwell auditorium tonight will occur the annual play by the members of the graded schools of the city and this promises to add another chapter to the auspicious and enjoyable week's program. The members of the cast in "Waking the Flowers," have rehearsed their parts tirelessly and everything points to a splendid presentation of this clever work which admits of the pupils exhibiting their entertaining powers.

This is but one of the features of the evening, there being a cantata by the grammar grades representing the leading nations of the world, besides special musical features. One of these will be a special number rendered by pupils of Miss White's room.

Sunday evening, at the First Christian church, the baccalaureate sermon will be delivered by Dr. J. V. Logan, a former resident of this city and frequent visitor, who takes great pride in visiting his "home city," as he terms Richmond. This event gives promise of being both interesting and instructive, owing to the popularity and eloquence of the speaker.

Class night on Monday night, with Commencement night Wednesday night, will mark the close of the festivities and the passing from the school of about ten students, who by their studiousness and general deportment, lay claim to the honors of being graduated from the city school.

BUFFALO

Quite a hail storm swept through this section recently which was followed by a good rain and all the farmers were glad to see it.

Mrs. G. W. Stokley and Alma Cox was in town shopping Wednesday.

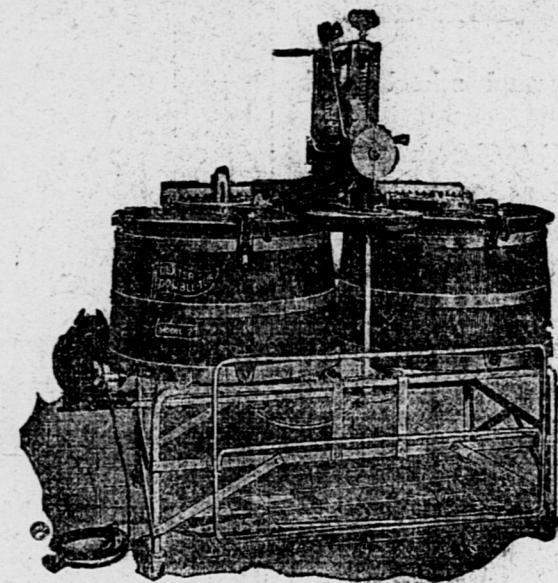

Mr. Budford Litterall, of Versailles spent the week-end with his wife who is at the bedside of her mother, Mrs. Wm. Cole who has been very ill.

Mr. and Mrs. Jesse E. Hale and little daughter, Beulah, visited his parents, Mr. and Mrs. Colonel Hale Sunday.

Mrs. Wm. Cole is slowly improving after being very ill for some time. Miss Maude and Viola Webb visited Effie and Maude Hale Sunday afternoon.

Demonstration OF THE DEXTER "DOUBLE-TUB"

ON MONDAY and TUESDAY
JUNE 7th and JUNE 8th

SOME INTERESTING FACTS ABOUT THE DEXTER

In this time and labor saving machine, the clothes are routed straight through from the hamper to the line in one, two, three order. There is no instant's delay on the way—no muss or fuss and very little work for the operator.

Dexter Double Tub will turn out a large family washing in a very short time—cleanse the clothes to a snowy white, without boiling or hand rubbing and is so designed that it saves all the unnecessary steps which must be taken when the ordinary power washer is used.

The Dexter improved swinging wringer operates in any desired position, carrying the clothes forward from one operation to another. The folding steel bench at the side accommodates extra rinse tub and clothes basket, bringing all the necessary tools for each washing operation to the right place, at just the right time.

IT CUTS WASHING TIME IN TWO

The clothes get their first washing in the warm suds of tub No. 1, are then wrung directly into the hot suds of tub No. 2, from there they are wrung into the rinse tub on the folding shelf, next into the blueing water, and finally into the clothes basket, and all the time there is another lot of clothes following in the tub just behind.

The L. P. Yandell farm of 549 acres, four miles from Danville on the Shakertown pike, was bought at public sale by the Fidelity Realty Company, of Lexington, recently incorporated with \$500,000. The price

paid for the farm was \$250 an acre. Yeggmen who robbed the Farmers' Deposit Bank at Berry, Harrison county, March 26th, made a second visit to return nontransferable notes and securities worth \$100,000.

With a school attendance record believed unequalled in Kentucky, Julian Sneed Yager graduated from the high school at Lagrange. He was never absent from school or tardy a day during the 11 years since he started.

There is every indication of an immense wheat crop in this and surrounding territory according to the almost unanimous opinion of farmers. They state that despite early predictions there will be a good crop.

A New Non-Skid That Won't Skid

Gillette Non-Skid Fabric
Tires give the service you want—demand and need. They won't skid when new, when old or anywhere along their long life of service. They catch hold and hang on without hindering free, forward action of machine. They do away with skids and slides—and save fuel wasted by slips, suction and hard-to-keep-the-road driving. Gillette Non-Skids

Won't Waste Away
—because they are produced with the exclusive Gillette Chilled Rubber Process, a refining treatment which toughens rubber as iron is toughened when changed to steel. Gives rubber a constitution that wears like steel—that stands the constant grind—grind of gravel and sand—the pull of mud and strain of hard, unyielding pavements—that is not affected by biting cold or melting heat of sun or road. There is no fabric separation or tread separation—fewer blow-outs.

Won't Run Up Excessive Costs
No extravagance. Every ounce of fabric and rubber produce mileage—non-skid mileage—safe mileage and at a big important saving in both repair and renewal costs. If there is no Gillette dealer in your town, write our general sales office. One Gillette on your machine will sell you a set.

NEW DIXIE AUTO COMPANY

AN ORDINANCE

Be it ordained by the Mayor and the Board of Council of the City of Richmond, Kentucky, that the ad valorem tax levy for the City of Richmond, Kentucky, for the fiscal year beginning July 1, 1920 and ending June 30, 1921 be and the same is hereby fixed at one dollar and eighty five cents (\$1.85) on each one hundred dollars worth of property within the City of Richmond, made taxable by law, divided as follows:

That there be and is hereby levied for educational purposes for the year 1920-1921 an ad valorem tax of 72 cents on each one hundred dollars worth of property within the City of Richmond, made taxable by law, said levy for educational purposes not to exceed the budget of the School Board the excess, if any arises above said sum to be turned back into the General Fund.

That there be and there is hereby levied for School Bond Sinking Fund purposes for the year 1920-1921 an ad valorem tax of three cents on each and every one hundred dollars worth of property within the City of Richmond made taxable by law.

That there be and is hereby levied for Street and Sewer Bond Sinking Fund purposes for the year 1920-1921 an ad valorem tax of thirty-five cents on each and every one hundred dollars worth of property within the City of Richmond made taxable by law.

That there be and is hereby levied for General Purposes for the year 1920-1921 an ad valorem tax of seven-tenths of one cent on each and every one hundred dollars worth of property within the City of Richmond, made taxable by law.

And there shall be a head or poll tax for general municipal purposes for said city for the year 1920-1921 of one dollar and fifty cents upon every citizen over 21 years of age of said city.

And a penalty of ten per cent and also interest at the rate of six per cent per annum shall be added to and collected on all taxes unpaid after November 1, 1920.

That the excess in any of the above funds not otherwise appropriated, if any arises, shall be turned back to the General Fund.

L. P. EVANS, Mayor.
Attest: W. E. Blanton, Clerk.
June 3, 1920.

STATEMENT AND BUDGET OF THE BOARD OF EDUCATION OF RICHMOND, KY.

To the Honorable Mayor and Board of Council in and for the City of Richmond, Kentucky:

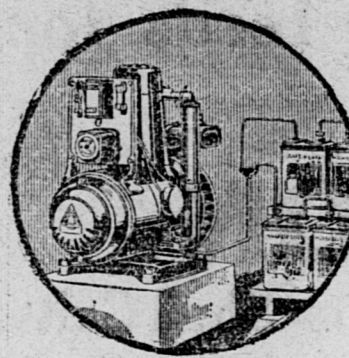

We do hereby certify that the Board of Education in and for the City of Richmond, Kentucky, on Tuesday, June 1, 1920, at a regular meeting of said board with a full membership present had submitted to and passed by said Board by unanimous vote the following resolution:

"Whereas said Board of Education at a meeting held on June 1, 1920 in the City of Richmond, having under consideration a budget of estimated expenses for the running and maintenance of the system of public schools for said city for the year 1920-21 including all the estimated needs of the grade and high schools for said school year, and having thoroughly studied and discussed the report of the Budget Committee prepared by Judge Chenault, John Noland, Supt. John Howard Payne, Z. T. Rice and H. G. Sandlin, and whereas said Board being advised as to the assessment of property in said city subject to school tax for the year 1920, and all other probable sources of revenue and where as it is the unanimous opinion of said Board that an ad valorem tax of seventy-five cents on each one hundred dollars worth of taxable property will be necessary in order to defray all expenses of said school, including a sinking fund, repairs and improvements, now therefore, be it

Resolved, and it is hereby ordered by said Board that a levy of seventy-five cents be and is hereby made on each one hundred dollars worth of taxable property, real and personal, located in said city, for the purpose of defraying the expenses of supporting and maintaining the public schools of said city for the school year 1920-21 and for meeting the expenses of all necessary buildings and repairs and to provide a sinking fund to retire bonds now outstanding against said city for school purposes, and it is further ordered that a copy of this resolution be spread upon the minutes of the Board together with a copy of the budget of estimated expenses and that a copy of said resolution together with said budget of estimated expenses be and the same is hereby certified to the Mayor and Board of Council of the City of Richmond for their action as by law directed."

JOHN NOLAND,
Chairman Board of Education for the City of Richmond, Kentucky.
Attest: John Howard Payne, Secretary for Board of Education for City of Richmond, Kentucky.

Pull Together for an American Merchant Marine

The war resulted in the creation of a great merchant marine—10,000,000 tons of American ships which cost us \$3,000,000,000.

Everybody agrees that we must keep this fleet on the seas.

If we fall back to pre-war conditions—when only 9 per cent of our foreign trade was carried in American ships—We shall be in the position of a department store whose goods are delivered in its competitor's wagons.

Congress is considering legislation which will perpetuate our war-built merchant marine.

Until this is done the ships we have should not be sold to face conditions which, prior to the war, resulted in the decline of our merchant marine to insignificance.

This Committee calls attention to these facts because a right solution of our shipping problem is vital to the future prosperity of shipbuilding, but equally vital to the safety and prosperity of the nation.

Send for free copy of "For an American Merchant Marine."

FARMERS JUBILANT OVER TOBACCO START

Tobacco raisers claim they have had good luck and despite the deluge which began early Thursday evening and continued practically all night and much of the day Friday, are in a jubilant mood. The strenuous effort put forth the past week in getting out plants has resulted in the small raisers having entire crops out, but the larger ones have not nearly finished. Many men are in the field, according to reports today, unmindful of the rain, where the ground will permit and are busily engaged setting plants. Especially is this the case in the vicinity of Taylor's Fork, where on the Frank Swayzee farm, a number of Richmond men are at work. A big party left the city early Friday morning, and later reported that they were at work. While thousands of acres of tobacco has been started, the subsequent rains are said to be very beneficial, admitting of the plants starting on their new growth without much delay. Some report plants yet too small to transplant, and will hold up their work for another week.

Commissioner's Sale

Robert Sebastain, Plaintiff

vs. Amanda Francis, Defendant.

Pursuant to judgment and order of sale entered in the above styled action by the Madison Circuit Court at its May term, 1920, the undersigned Commissioner will expose to public sale to the highest and best bidder in front of the Court House door in Richmond, Ky., at the hour of 11 a. m., on

Monday, June 7th, 1920

the following described property: A certain lot or parcel of land in Madison county, Ky., on the waters of Silver Creek, and bounded as follows: Adjoining the lands of James Pinkston, and the Baptist church lot, and Ann Parks land, being a part of the tract formerly belonging to Anderson Parks, deceased, containing 1-4 of an acre, more or less.

Terms—Said property will be sold on a credit of six months, the purchaser being required to execute sale bonds with approved security, and payable to the Commissioner, and bearing 6 per cent interest from date of sale until paid, with a lien retained on the land to secure the payment of same. R. B. TERRILL, Jun 3 4 5 Master Com. M. C. C.

AUCTION SALE

Monday, June 7th, Court Day I will sell to the highest bidder about 7 sets of the best double harness ever offered at auction; some single harness men's and women's saddles, 1 extra checkline; 1 riding cultivator, good as new; some nice furniture; 2 large druggets, good as new; a few good broke horses; some ponies and outfits; and a nice four-year-old Jersey cow and calf, a beauty and a good one; and many other things.

ROB WALKER, the Auctioneer, Walker will go to Paint Lick Thursday, June 10, to sell all the real estate and personal property of Mr. E. Williams, who is leaving Paint Lick on account of the health of his child. You will find anything you want at this

A ghost is said to be seen in Knox county nearly every night. Page the revenue agents.

Odd pieces of Aluminum ware can be bought at the reduction sale price at Muncy Bros. store Monday. 1t
